ATTENTION: CALL TO ACTION - CONGRESSMAN JIM JORDAN

Those of you who agreed to help us push Jim Jordan's office to immediately call J6er's, their families and attorneys before the Judiciary committee, we need your help.

Please call Jordan's Office at 202-225-2676 AND email his Chief of Staff at Kevin.Eichinger@mail.house.gov

Please say something similar to: We demand the truth about January 6th. Families are being destroyed, many of whom served this country honorably for many years. We demand the committee hear their stories.

Our goal is to have this FIRST HEARING, then followed by subpoenas to the Federal Judges who have overseen these cases.

We ask that you share this and organize teams so that calls and emails are being made every single day by many, many people. This is how it is done. We will then follow up with the legal team we met with on Friday. It will be very effective IF we have successfully bombarded them with calls and emails they cannot ignore.

This is PHASE ONE.

BE PART OF THE SOLUTION, ORGANIZE YOUR CALL TEAM NOW.
