MILLION VOICES
YOUR VOICE MATTERS. USE IT WELL.

FOCUS ON F.A.C.T.S. FOR ELECTION INTEGRITY

FAIR:

REQUIRE Regular voter-roll updates, voter ID, proof of citizenship

PROHIBIT Acceptance of ballots post-election, private funding of election efforts, universal mail-in ballots, drop boxes *

AUDITABLE:

REQUIRE Watermarked ballots, real access to ballot counting, data, and processes by all parties **

PROHIBIT Concealment of operations from view of authorized observers

CONSTITUTIONAL:

REQUIRE Adherence to the Constitution, which gives state legislatures authority over elections

PROHIBIT Usurping of authority by state courts or other elected officials

TRACEABLE:

REQUIRE "Chain of custody" procedures for all ballots, system to trace mail-in ballots to envelopes, signature verification, video surveillance capturing verification process (*retain with election records*)

PROHIBIT Ballot trafficking and "midnight" ballot drops, "no-excuse" absentee voting, request for or return of a ballot by any person not named on the ballot ***

SECURE:

REQUIRE Bi-partisan observation of cure and adjudication processes

PROHIBIT Wi-fi or software access at polling places

if required by law, implement 24/7 video surveillance capturing faces of voters and retain with election records
**customary with campaigns, banking, etc. to build confidence in process and remove cloud of suspicion*
***implement tight controls over legal exceptions*
