

10 WAYS TO ENSURE ELECTION INTEGRITY AND ELIMINATE SYSTEMIC FRAUD.

One of the most powerful pictures I've
ever seen

If the people stand...

1. Clean voter rolls
2. Ban all electronic equipment
3. Paper ballots with Voter photo ID
4. Ban 'mail-in' voting (absentee for overseas military, and handicapped w notary)
5. Ban, or severely restrict early voting.
 - a. (Only used for nurses, doctors, election workers, and only those who have a valid reason they can't vote on election day)
6. Drastically smaller precincts and count votes at each precinct. 1200 or fewer.
7. Ban of ballot harvesting.
8. Election day becomes a holiday.
9. New reporting requirements for transparency.
10. Heavy prison sentences for those who commit election fraud.
