

## **ACTION PLAN FOR IMMEDIATE CHANGE...**

to counter corruption and censorship by media / tech / finance / pharma giants / & politicians

1. Cancel Cable, Satellite & Streaming TV bundles
2. DO NOT donate money to politician & consider boycotting companies that give them money or pay them for speeches.
3. Boycott: Microsoft, Apple, Facebook, Amazon, Google, Disney, Paypal, Vanguard, Blackrock & other big tech / media / finance / pharma companies.
4. Consider selling shares of big tech / media / finance / pharma stocks & mutual funds and invest in the best pro-freedom companies like Rumble & others. Doing THIS can change the world for the better!
5. Bank with small local banks. Use cash as often as possible.
6. Demand pardons for Julian Assange, Edward Snowden, non-violent election fraud protesters.
7. NO VACCINE MANDATES
8. Use free speech social media: Truth Social / GETTR
9. Use web browsers like Brave rather than safari / chrome / firefox.
10. Use search engines like BRAVE
11. Use an email service like ProtonMail.
12. Post videos to Rumble, Bitchute, & Odysee. NOT youtube.
13. Use a Linus OS, like Linux Mint on your PC rather than Windows, MAC, Chrome OS.  
(Almost any PC can be switched to Linus, which is FREE & have tutorials)
14. Use a degoogled phone (can be purchased on ebay) rather than using an ipone / google android.
15. Use Linux PC on the TV with a wireless keyboard & touchpad, rather than smart TV apps / fire TV / apple TV / roku, so YOU control what you watch on TV.
16. For more info check this out and please share!
