September 9, 2024, President, Dorothy Ashcraft, called the meeting to order at 12:00 noon.

The invocation was given.

The Pledge of Alliance was done by attendees.

The guests were introduced: Lynn Haueter, Ann Alrich, & Doc & Donna O Chung.

Last month's minutes were approved.

Treasurer was absent. Dorothy will get the report.

The guest speaker was David (Doc) O Chung, who is a recipient of Military Order of Purple Heart, Senior Officer, & author. Doc gave us his history of how he decided to become involved in politics. He encouraged each of us to be aware of what all politicians are doing when in office. He encourages moral integrity which is missing in many offices. Doc shared many experiences in Washington D.C. & various places of employment. Doc shared the name of books to read concerning Vietnam War which illustrate both men & women in the military. The books were Healing Wounds by Diane Carlson Evans, The Women by Kristin Hannah, & his book, Face of the Enemy. Doc emphasized how so much of the government is controlled by the Office of Personnel Management (OPM). They hold the purse strings for money to be spent by government officials. Doc recommends we all stay vigilant of politics, lobbyist, & politicians.
