

# WHAT IS HAPPENING?

- **The PROTECT Act is another step towards nation-state status by America-hating tribes**
- **Creates another “government entity” that can ruin your lives:**
  - **Federal Government**
  - **State Government**
  - **And now, Tribal Government.... “Any Indian Tribe or political subdivision thereof;”**

## WHAT CAN YOU DO ABOUT IT?

- **ANSWER: *Damn little***
- **Same as the Water Confiscation Act (MWRPA)**
- **Write your Senators and Congressmen in DC...’cause that worked so well with the WCA**
- **Note that none of our Reps asked any of us for our views on this topic**
- **Currently legislators have no knowledge**
- **Currently legislators don’t care one whit**

## SOME FACTS

- Tribes are NOT “Sovereign Nations”
- Chief Justice John Marshall described them as “domestic dependent sovereigns”
- Tribal ‘sovereignty’ co-exists with federal sovereignty and sometimes supersedes state law within reservation boundaries
- Repeat the big-lie (Sovereign Nation) enough, others will start repeating it

# **MENU OF ACTIONS**

- **Declaration of Independence from unelected tribal governments; no vote - no authority**
- **Publish a non-tribal citizen's BILL OF RIGHTS**
- **Establish the AMERICAN INDEPENDENT ZONE (AIZ) consisting of the lands removed from tribal control by the Allotment acts**
- **Protest, boycott, maximize hostility**
- **I will introduce legislation in the next session to protect non-tribal Montana citizens**

# LEGISLATIVE ACTIONS

- Establish a “Settlers and Pioneers Week”
- Push a bill to eliminate members of self-declared “sovereign nations” from being elected to the legislature
- Push a bill declaring a non-tribal citizen’s  
**BILL OF RIGHTS**
- A bill to stop the state from depriving a citizen without due compensation from full usage of the land for which he/she holds the patent

## BOTTOM LINE

- PROTECT Act by itself will not change things for the worse overnight; it is the creeping statism that will result in the non-tribal citizenry becoming subjects of an unelected hostile and self-admitted foreign government
- We are alone; we either protest and make this a problem or concede defeat to the “sovereign nation known as the CSKT of America”
- Fight, move, or acquiesce....
